## exaudria Gazette

WEDNESDAY EVENING, DECEMBER 28.

BURNED TO DEATH .- A fire occurred in Falisbury, Md., yesterday morning at 230 o'clock, which resulted in the total destruction of a dwelling situated near the depot and in the death of one man. The house belonged to Clayton Messick, who had only built it one year ago. It was occupied by himself and family, and Joseph Daymon and Harry Lambden, who boarded with Mr. Messick. The boarders were aroused by the smoke in their room and made efforts to get out through the stairway, but were cut off by the flames. Daymon ran to the window and jumped out on the porch and from there to the ground. He called for Lambden to follow, but it is supposed that Lambden had some money down stairs, and in endeavoring to secure it, was suffocated and fell a prey to the flames. Lambden was a native of Concord, Sussex county, Delaware, and had only arrived in Salisbury the day before the fire, to begin to build a house on a vacant lot which he had purchased a short time ago. He had just got the frame laid for his house. The origin of the fire is unknown, as it was first seen where no stove nor fire of any kind had ever been. The house was valued at \$2,000, insured for \$1,500, with no insurance on the furniture. A number of citizens were badly burned about the hands and arms in endea voring to rescue the unfortunate man.

A WHOLE FAMILY MURDERED .- In Lee county, Ga., last Sunday a man named Na than Reid, who did not live happily with his wife, and whose disposition had become sull su and morose, brutally murdered his whole family and then committed suicide. Some FOR FORTRESS MONROE, NORFOT, KAND time in the evening he sent a half grown boy who lived with bim after a doctor. When the doctor and the boy returned they and in them 'be charred bodies of Reid's wife and their six children. A further search o' the premises disclosed Reid's body in the well with his throat cut. His knife was found heads the well and this knife was found heads the well and the real and their search of the premises disclosed Reid's body in the well with his throat cut. His knife was found beside the well, and it is supposed he killed his wife and children, set fire to the house, and then killed himself.

Years Teach More Than Books. Among other valuable lessons imparted by this teacher is the fact that for a very long time Dr. Pierce's "Golden Medical Dis covery" has been the prince of liver correc-

tives and blood purifiers, being the house-hold physician of the poor man, and the able consulting physician to the rich patient, and praised by all for its magnificent service and efficacy in all diseases of a chronic nature, as maintail poisoning, ailments of the respiratory and digestive systems, liver disease and in all cases where the use of an alterative remedy is indicated.

The capital stock of this company is \$625,000, divided into 625,000 shares of \$1 each.

The company is incorporated under the laws of West Virginia, and the stock is non-assessable, and carries with it no personal liability to the holder.

THE GOLD MINING COMPANY (location Music Mountains, A. T.) is as sound a mining enterprise as was ever placed on the market, and its possibilities have never been exceeded. Every share should double in value within a year, and they may quadruple, as they are based on property that would ordinarily have been capitalized ten (10) times as great on account of its known richness and promise.

The shares are made small so that any one can invest. Subscriptions for five shares are as welcome as those for hundreds.

Every dollar of earnings will go to the stockholders in dividends, as there is nothing else that they can be used for.

A Wisewell mill, capacity 20 tons per day, with powerful machinery, has been purchased and will be on the ground ready for erection at the mine within the next thirty days.

The solid basis upon which the company is founded and the practical proofs of the richness of the mine have already secured the confidence of the public, and the stock has steadily advanced in selling value Within the last few days bona fide sales have been made AT PAR.

There is no better stock on the market for a permanent investment. For full information in regard to this Mine apply to the
